## DISCIPLE YOUR KIDS!

Complete Training to Help Your Leaders Use Our Curriculum Effectively

### BIBLE APPLICATION IS THE GOAL!

In our 90 minute weekly format, children will sing, hear a Bible lesson, learn a Bible verse, and play games with their friends. Much of this can be done in Sunday School, but Master Club goes the second mile. We teach them how to apply this knowledge and give them opportunities to serve God today. If you would like to learn more about Master Clubs, please visit our website at [masterclubs.org](http://masterclubs.org) or call us at 1-800-451-5023 and request more information.

### LEADERS WHO LEAD!

Your children need more than leaders who love God, God's Word, and your kids. They need leaders who understand how to train your kids to serve God and to be leaders of leaders today! We are bringing our training to your doorstep and invite your leaders to attend.
