# Financial Policy (2019-2020)

## Master Ministries

In an ongoing effort to maintain fiscal responsibility and to follow the example of being good stewards of the monies entrusted to us, Master Ministries will adhere to the financial policy written below:

1. The initial charter fee for a new church will be \$150, due and payable upon submission of a completed application and financial policy document. All charter fees are non-refundable. Any church that charters on January 1<sup>st</sup> (or after) of the current charter year will not have to pay a renewal fee within that same calendar year.
2. The renewal charter fee for churches will be \$135 if postmarked or electronically paid by April 30, 2019 (early bird renewal). Renewals received between May 1 and May 31, 2019 will be \$150. Any renewals made for the 2019-2020 Master Ministries charter year after May 31, 2019 will be \$200.
3. Any church that does not renew their charter will not be allowed to receive the early bird renewal the following year. Director's kit materials will not be available as a part of the charter fee unless the church's charter has been dormant for 5 years or more.
4. All charters will be given an open account for ordering and billing purposes. Only the individuals authorized to place orders (as indicated on the charter/renewal application or by church letterhead) may order products and services with an open account.
5. All charters are to maintain their accounts by paying all invoices within a 30 day period.
6. **Any account that remains unpaid after 30 days** will be placed under the following protocol:
  - a. A notice will be sent by e-mail to the addresses given under "Billing Information" section in the Charter Application.
  - b. Master Ministries will remind any individuals authorized to place orders about the issue when these individuals contact Master Ministries for products/services.
7. **Any account that remains unpaid after 60 days** will be placed under the following protocol:
  - a. A notice will be sent by e-mail to the addresses given under "Billing Information" and "Leader Information" section in the Charter Application.
  - b. A written notice will be mailed to the addresses given under the "Billing Information" in the Charter Application.
  - c. Credit terms for Master Ministries products/services will be placed on hold until the account is made current. New purchases will only be allowed if they are pre-paid by check or credit card while account is on hold.
8. **Any account that remains unpaid after 90 days** will be placed under the following protocol:
  - a. A notice will be sent by e-mail to the addresses given under "Billing Information" and "Leader Information" section in the Charter Application.
  - b. A written notice will be mailed to the addresses given under "Billing Information" and "Leader Information" section in the Charter Application.
