Loving & Leading CONFERENCE

First full weekend of November

Master Clubs **REGIONAL** **COMPETITIONS**

Regionals are scheduled in many areas of the country, when and where we can find 5-6 churches committed to attend. Attendance at Regionals will range from six to fifteen churches in different locations. Held in a gymnasium, Regionals is a springtime Saturday event, normally from 10:00 AM to 5:00 PM. Within that day, your children will enter both individual and team events. Bible, Music, Christian Writing, Christian Art, Athletics and some just-for-fun events make up the day.

Regional Competitions Planning Guides are available by September 30 of each year, allowing your church some 6-7 months to prepare for the events you select. This three-ring notebook contains all the details of events, entries allowed, study guides, judging standards, and tips on preparing your children.

You have a choice of selecting the events you want for your children. Not every child will be excited about every event, but most will. We try to describe the “props” we use, and some of the actual game pieces are available through our ministry. Start small with the study notes, then add others as the weeks go by. Children will be active all day, not sitting and watching. Over 300 awards go out at each Regionals.
