TRAINING YOUR CLUBBERS TO SERVE THE MASTER!

Master Clubs Leader Training will give your leaders a comprehensive training to guide them on how to use our curriculum effectively. Each training involves four different sessions that will guide your leaders through the 5 components of the Master Clubs program. There are two sessions in the morning, then two sessions after lunch which is included in the cost of the training. Each session is packed full of information that will be invaluable for your leaders to take with them.

LEADER TRAINING MANUAL

Your leaders will receive a 56 page Master Clubs Leader Training Manual that they will use throughout the day. It is a great resource for them to use as a guide in the future. The manual covers each component of the night as well as things like: what to do when children are visiting Club, how to help Clubbers catch up who have missed some projects, things to talk about when visiting Clubber's families at home, and much more. The manual is included in the cost of training.

DISCIPLESHIP AND APPLICATION IS THE GOAL!

An effective Club night has 5 important components: Rally Time, Bible Time, Book Time, Game Time, and Award Time. Leader Training teaches your leaders how to effectively use each component of the night to instruct your Clubbers on how to apply the knowledge given them, and to give them opportunities to put into practice the truths that are learned. They are taught the importance of becoming biblical, mission-minded servants willing to serve the Lord in any aspect of ministry.

LEADERS WHO LEAD!

Children today need more than just leaders who love the Lord, His Word, and your Clubbers. They need leaders who know how to disciple your children to serve God and to become the leaders of tomorrow! Who are the future Sunday school teachers, preachers, deacons, choir members, pastors, and missionaries? That's right – the children! Come join us as we help train your leaders to use Master Clubs to its highest potential!
